

**ADDENDUM:
OPTIONAL FISHY WISHIES VIDEO (OVER CREDITS)**

During the film's final credits would be a lovely time and place for a full-length video of "The Most Annoying Kids' Song In The Universe." Here are ideas and lyrics:

GENERAL SETTING

See page 8 of the "Babe Magnet" screenplay for an overview of the video's general attributes.

LACK OF ATHLETICISM OR RHYTHM

The Fishy Wishies should all dance around out of rhythm and sync, with a striking lack of athletic ability, as much as possible. Any choreography should be amateurish. Make sure their lip syncing to lyrics is really bad.

THE CHEESE FACTOR

The video should be as cheesy as possible, with overly-specific and stupid enactments of the lyrics. Examples:

A Fishy Wishy raises a big fake broccoli on the words:
"I love to eat my broccoli."

The Fishy Wishies kiss each other after the words:
"I love to kiss my Mommy."

A Fishy Wishy hugs himself after singing:
"I love to hug my Daddy."

SUBLIMINAL MESSAGES

Subliminal messages should flash onscreen occasionally for a fraction of a second to brainwash children with important information. Examples of subliminal messages:

"You **LOVE** The Fishy Wishies!"

"**BUY** our videos!"

"1-800-**WISHIES**"

"Then we'll love **YOU** too!"

START HAPPY BUT END IN A VIOLENT RUMBLE

In the video, The Fishy Wishies should start out happy, peppy, and full of Barneyesque teamwork and good will, but by Verse 2 they should be increasingly self-centered and irritated with each other as they become competitive over lyric lines and screen time.

By the final Chorus, this pettiness should escalate into violence, and they start fighting each other like drunken mascots at a college football game. As the line "*I love you!*" is continually repeated in the final chorus, none of our Fishy friends bother to lip sync any more, as they are too busy pummeling each other in an ugly rumble that ultimately takes down most of the set and precariously shakes our filming camera a few times. A few of the Fishy Wishies tear portions of their costumes in the fracas.

A well-meaning CAMERA CREW MEMBER steps in toward the end and tries to break it up. The Fishy Wishies turn on him, throw him to the ground and -- finally united in purpose once again -- kick and beat him as he cowers on the turf.

ANOTHER CAMERA CREW MEMBER steps in front of our camera and covers the lens with his hand so we can't see the mayhem anymore. We hear someone offscreen say: "Stop rolling! Cut!" The video signal abruptly cuts, the song ends, and the sound of a toilet flushing is heard.

SONG LYRICS

On the next page are the lyrics to "The Most Annoying Kids' Song In The Universe"...

The Most Annoying Kids' Song In The Universe
by The Fishy Wishies

Verse 1

Okay, here we go!
I love to eat my carrots
I love to eat my broccoli
I love to kiss my Mommy
I love to hug my Daddy
I love to make my bed in the morning
I love to say my prayers at night
I love to know that I'm special

Chorus 1

But most of all...
I love you!
Yes it's true!
I love you!
Yes I do!

Bridge

What's all that blubbering?
It sounds *fin*-tastic!
But somethin's fishy here!
Blub, blub blub, blub blub, blub blub!...
Tawonga!... Sahasvat!... Wai-Keung!...
Salvador!... Larry!...

Verse 2

I love to be nice to people
Daddies and mommies and girls and boys
And when I'm all done playin'
I love to put away all my toys
Oh gosh it is fun to be your fishy friend
We're always thinkin' of new things to do
I think you should buy all our videos!

Chorus 2

'Cause most of all...
I love you!
(Yeah yeah yeah, yeah yeah yeah!)
Yes it's true!
(Yeah yeah yeah, yeah yeah yeah!)
I love you!
(Yeah yeah yeah, yeah yeah yeah!)
Yes I do!...

...Everybody sing!
(Yeah yeah yeah yeah!)
...Sing it again!
(Blub blub blub blub!)
...Ooh ooh ooh ooh!
